See back of form for additional questions. Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action > 2x Wheat ETF paid a non-taxable return of capital distribution on the dates listed on statement 1 to the shareholders of the record on the dates listed on statement 1. A portion of each distribution constitutes a non-taxable return of capital. Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ► The portion of the distribution that constitutes a non-taxable return of capital will decrease a U.S. taxpayer's basis in the shares of the issuer. See Statement 1 for per share of the non-taxable return of capital. Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ► The basis of the shareholders of record for each dividend is lowered by the per share return of capital amount listed on Statement 1. The rate was determined in accordance to IRC §301 and §316.
